Mission Statement: AAUW advances equity for women and girls through advocacy, education, philanthropy, and research.

## REPORTS

**Our Installation** was held on June 7 at Seasons. We were glad to have all four Tech Trekkers and their parents, two of whom were dads. Rhonda had an ice breaker which had us all moving around asking questions of each other.

Laleh introduced her mother who was visiting from Iran. Estelle invited former Trekker, Marlene. We were happy to see Shirley and Jini again. Shahla, Elaine, Chithra, and Juliana enjoyed the food and listened as Gail had speaking tasks for the TT girls. Each had to say what they were most looking forward to at camp, as well as their academic goals and outside activities. She also gave each a TT bear.

Then Gail gave out certificates of appreciation to EOF Funds or Legacy donors. She introduced Elaine and congratulated her on being an AAUW member for **50** years. Elaine spoke a few words about the “early days”.

Rhonda reminded all that the same hard workers from last year’s board had volunteered and been elected to another term. She thanked each with a small gift.

The dessert was good, and we had a nice relaxing time. Thank you, Gail, for arranging the venue and menu and TT invitations.

## **Celebrate the 19th**

Rhonda, Char, Juliana, Marti, and granddaughter Hannah celebrated the 19th on Sunday the 14th at mart's home in Vacaville. She had prepared bread, cheese, greens, lemonade, tea, and dressings for one healthy luncheon. We brought wine, limeade, and additions to the salad of cheese, olives, artichoke hearts, and pine nuts. This made for a delicious lunch which was topped off with super tasty lemon bars which Marti and Hannah made with fresh lemons.

We enjoyed hearing Hannah's college stories and about her achievements in swimming and academics. Then we admired Marti's quilt work and creativity. Thank you for hosting, Marti.

## **BUSY JUNE**

We had the installation, celebrate the 19th at Marti's, our three co-executive officers attending the State Convention at San Diego (18-21), and Parto, Rhonda, and Gail working for Tech Trek success.

Janice is doing well with her new knee. YAY!

We are sorry to hear of Monticello closing. Member Rhonda and Chef Tony were generous to AAUW Davis in time, energy, space donations, and reduced rates for our Tech Trek presentations and Tea is for Teachers.

Sarah lost her long-time partner, Doc. We send our condolences.

Even though it is late, you can still renew your membership, because Treasurer Gail keeps really good records.
